

# Health Protocol Nissport Association

Following the government announcement the sanitary pass is mandatory in all the inside sports included in the Nissport association.

The rules are the followings:

- Or have received a full vaccination against Covid-19 (one week after receiving its last injection)
- Or have a negative PCR or antigen test less than 72 hours old
- Or have a certificate of recovery from Covid-19

For those who have not received a full vaccination against Covid-19, you must show us negative PCR every week. Each section representative will manage his own members.

For full vaccination it will be managed centrally by Nissport and also by the representative of each section. Sanitary pass must be presented at the subscription.

All contact cases: not allowed to come any sports activities without proof of non -COVID.

If the government decides to close for more than 3 months (12 weeks) in total, the reimbursement will be prorated to the lessons given (please check with each section for the process), except for Fitness classes because there will be distance classes. These distance classes will be available for all the Nissan employees.

## Gym center & fitness classes:

The mask will be mandatory to circulate in the room but not during the effort. The Gym Center should be ventilated and all the machines disinfected after each use.

Masks will be available in the room, hydraulic gel and disinfectant.

There will be regular random controls to verify that the Health Protocol is well respected.

## Locker rooms (men & women):

Ventilation of the locker rooms: after the last person going out or each time someone is leaving the locker room when there is nobody inside.

Mask mandatory.

Disinfectant, hydraulic gel will be available also in the locker room.

Please come with your own material for the shower (shower gel, shampoo...). The soap available in the locker rooms are only for hands.

Forbidden to leave any clothes, shoes in the locker room. They must be empty every end of day. If things left, all the staffs will be put in the dustbin. All the lockers need to be empty & forbidden to leave them closed.

**Thanks everybody to follow this rules for the best practice of each sport & also to take care of you & also the members.**
